

## Drainage Strip Bamboo Fiber Flowerpot

The following is the introduction of high quality Jennifer's Drainage Strip Bamboo Fiber Flowerpot, hoping to help you better understand Drainage Strip Bamboo Fiber Flowerpot. We follow the principle of assured quality and series price and are happy to serve you.

### Drainage Strip Bamboo Fiber Flowerpot

JENNIFER'S MFG.LTD.,HAIYAN has good reputation in bamboo fiber flowerpots. In China, We are one of the very experienced foreign trade manufacturers and suppliers in **Drainage Strip Bamboo Fiber Flowerpot** and specialized in this filed for 15 years. The material of bamboo fiber is made of bamboo powder and buried in the soil. Under the combined action of temperature, humidity and microorganisms, the surface will crack after 18 months, and then gradually decompose. In foreign countries, this environmental protection concept is relatively popular, so we actively want to find partners .
